## MMP Rewards for 2009

We would like to clarify the rewards for 2009, as the space on the membership cards doesn't allow a full explanation. Please select your reward from the list below, and return your cards to claim your reward (**by 1<sup>st</sup> December** at the latest). Make sure that signatures are clear on your card, as all cards will be verified. Winners of the top Marshals awards will be announced in the next newsletter.

Please select **one** reward from the list 1 to 9 below depending on how many signatures you have on your card.

11. And, if you have done more than 9 events plus 1 training, your name goes into the draw for the BRC trip (12 places to win). Note: marshals who were unsuccessful for the WRC draw will also be entered into this draw.
12. Top Marshals 2009 Awards – Top 3 Marshals who have most signatures for MMP events (plus at least 1 training) will be our guests at the ANICC Prizegiving presentation on 30 January 2010.

### **The small print:**

- Rewards are not transferable and are subject to availability.
  - Clothing rewards may not be available at the Kirkistown Reward day, and depend on supplier's order fulfilment times. Clothing rewards will be given out as soon as practicably possible.
  - For Cadet Marshals (i.e. under 18) to claim a reward, they must show that they are licensed by the MSA.
  - The draw for the BRC and WRC trips will be made at the ANICC prizegiving on 30 January 2010.
  - Unfortunately, places on BRC or WRC trips are not available to Cadet marshals. If a Cadet's card is picked in the BRC or WRC draw, they will get a £50 Superdrive voucher as an alternative.
  - For the Top Marshals Awards, if more than 1 marshal is tied on the same number of signatures for events, then the number of training events will be considered to resolve the tie. If this still does not determine the 3 winners, then the committee may define additional criteria to resolve the tie (which could include a draw to select the award winners).
  - Signatures on MMP Cards will be verified. Any fraudulent or unrecognised signatures will be rejected, and will not count towards a reward. Such cards will be dealt with in accordance to the MMP rules.
  - To claim your reward, and be entered for the draws (if appropriate), MMP cards must be returned by 1 December.
